

2019-2020 Green Dream Garden Gnomes application

What is a garden gnome? Someone who takes care of the garden after school and knows how important it is to show up because the garden is living.

What kinds of things will I be doing? I will be weeding, trimming, digging, composting, planting and learning about the garden during third quarter.

When? At least one day a week afternoon shift 2:15-2:45 Tuesday, Thursday, or Friday Starting the week of February 10th.

Garden Gnome Policy: Students may be asked to leave the garden gnome program for the following reasons:

1. Missing three or more days during a quarter without prior notice
2. Unsafe or disrespectful behavior to other gnomes, supervisors or the garden

Students will receive notice before starting. Parents are welcomed and encouraged to help in the garden too. Parents may email Mrs. V at marce.ventura@k12.hi.us or Mrs. Ranken at merrill.ranken@k12.hi.us for questions or concerns or volunteer opportunities.

Return this form to Mrs. Ventura's box or to room B203 as soon as possible

Name _____ HR teacher _____

Yes. You may use my child's picture or work for the garden website or documentation bulletin board as long as it does not have their name attached.

No. Please do not use my child's photo.

Please circle available day(s).

Tuesday	Thursday	Friday
2:15-2:45	2:15-2:45	2:15-2:45

A+

I have arranged a ride and know to pick my child up on time at 2:45 in the garden.
